ABOUT CHEMI

Chemi is a family-run business based in South Africa that specialises in providing premium packaging and chemical solutions.

We are dedicated to delivering exceptional products and services efficiently, and we pride ourselves on our products and work ethic.

As a long-standing leader in the chemical industry, Chemi has grown from a small operation into a trusted partner, serving sectors from manufacturing and agriculture to pharmaceuticals and research. Our success is built on a foundation of integrity, expertise, and a relentless pursuit of excellence.

We are proud to be a BBBEE Level 2 contributor, demonstrating our commitment to broad-based economic empowerment in South Africa.

Supporting a sustainable future, we are EPR compliant to ensure responsible recycling and product disposal.

“
**AT CHEMI OUR MOTTO IS SIMPLE,
ALWAYS DELIVER MORE THAN EXPECTED.**
”

Our vision is to be a leader in the chemical and packaging industry.
Our core values include:

QUALITY & INNOVATION

We continuously strive for the highest standards, ensuring our products are at the forefront of the industry.

CUSTOMER FOCUS

Our clients are our priority, and we aim to be a trusted partner, offering exceptional support.

RESPONSIBILITY

We are committed to safe practices and responsible stewardship of our products and the environment, and we are EPR (Extended Producer Responsibility) compliant to support proper recycling and disposal.

MEET THE TEAM

Our success is built on the passion and expertise of our people. We believe a great company is more than just its products; it's the dedicated individuals who work tirelessly to deliver exceptional service and build lasting relationships. Our team is committed to understanding your unique needs and providing tailored solutions.

NICOLE MOREIRA

Account Manager

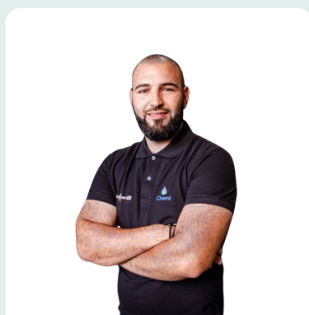

Hi, I'm Nicole and I'm passionate about customer service and sales. I love building meaningful relationships with my customers and helping them grow. What drives me is the chance to make their experience with us simple and hassle-free. At Chemi, we strive for perfection, providing top-notch products, exceptional support, and reliable on-time delivery every time. It's a mission that truly fuels my enthusiasm for my role.

CHARLES MASEKO

Quality Control Manager

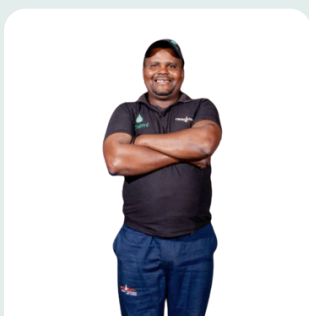

Hello, I'm Charles, Quality Control Manager at Chemi and Chemipak. My primary responsibility is to ensure that all products meet the highest quality standards and exceed customer expectations. I oversee the production process, implementing rigorous quality control measures to guarantee that every product leaving our facility meets our stringent quality requirements. My commitment is to delivering exceptional products that satisfy and delight our customers, fostering long-term relationships built on trust and reliability.

DOMINIC DIAS

Business Development Specialist

Hello, I'm Dom, and I'm driven by a passion for business development and a commitment to excellence. With a strong focus on quality and service delivery, I thrive in environments where innovation and customer satisfaction are paramount. At Chemi and Chemipak, I'm proud to be part of a team that prioritizes delivering exceptional products and services to our valued customers. Our organization's ethos of innovation, quality, and customer-centricity resonates deeply with me, and I'm excited to contribute to our continued growth and success.

CARLOS CHIVURI

Warehouse Supervisor

Hello, I'm Carlos, and I'm proud to be a key member of the warehouse team. My role involves ensuring seamless operations and efficient order fulfillment, driving customer satisfaction through timely and accurate delivery. I'm passionate about my work, as I get to contribute to a dynamic organization and collaborate with a high-performing team. Together, we guarantee that every product reaches our customers on schedule, meeting their expectations and reinforcing our commitment to excellence.

JP MOREIRA

Operations Manager

Hello, I'm JP, Operations Manager at Chemi and Chemipak. My primary responsibility is to oversee the seamless execution of our operations, from production to delivery, ensuring that our customers receive high-quality products on time. As a valued member of the Chemipak team, I'm proud to be part of an organization that prioritizes quality and perfection in everything we do. Our team's motto, 'Delivering nothing short of quality and perfection,' resonates deeply with me, and I'm committed to upholding this standard in my role.

CHEMIPAK

PACKAGING

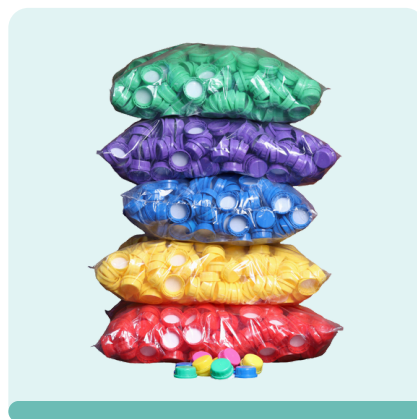

We specialise in manufacturing and supplying high-quality, durable plastic containers. Our packaging solutions are ideal for various industries, including food and beverage, oils and lubricants, water treatment, mining, chemicals, and cleaning detergents.

- 5L Containers: These are versatile and robust, ideal for everything from household cleaning products to industrial liquids.
- 25L Containers: Designed for bulk storage and transport, our 25L containers are built to be leak-proof and withstand demanding industrial environments.

Our containers are available in seven standard colours: black, green, yellow, white, clear, blue, and lime green. For larger orders, we can also manufacture containers in any custom colour, with a minimum quantity requirement.

Chemi is dedicated to environmental protection and adheres to all recycling regulations.

CHEMI

CHEMICALS

Through our Chemi division, we offer a comprehensive and diverse range of high-quality chemicals to meet the needs of various industries. Our products are sourced and supplied with an unwavering commitment to quality and service.

The following chemicals are available through Chemi:

- Caustic Soda (Sodium Hydroxide)
- Cocamid Diethanolamine
- Ethanol 95%
- Glycerine
- Hydrochloric Acid
- Isopropyl Alcohol
- NP9 (Nonylphenol Ethoxylate 9)
- Refined Salt
- SLES 25% (Sodium Laureth Sulphate)
- SLES 70% (Sodium Lauryl Ether Sulphate)
- Sodium Hypochlorite
- Sulphonic Acid

Chemi is dedicated to environmental protection and adheres to all recycling regulations.
